**Subject:** Appreciation

CC Docket 02-6

After all these years of attempting to get the Lemon Grove problem understood and ultimately resolved, I want to thank you for finally netting out and simplifying the logic used by the FCC/USAC in determining the money Sun was to be paid for 2013. I just wish you had been involved years ago. It would have saved everyone considerable time and effort.

Again, I thank you.

I now consider this situation CLOSED!!!
